

# Quiz Bowl

3 rounds of play in this Event

Round 1-- Starts at 8:15 on Competition Day

20 minutes

20-question Paper Pencil Test -- fill-in-the-blank questions

From the category Calculator Contest

Round 2-- 2 team Quiz Bowl Style with buzzers (in a classroom with no audience)

8:40 am on the Competition Day

Questions about our Dynamic Planet (volcanoes, earthquakes, glaciers)

20 questions/ 20 minutes

Round 3-- If you are one of the top 6 teams in points, at 11:15 am

The top 6 teams will compete in the Cafeteria-- Quiz Bowl Buzzer Style

20 questions about the Category Starry Starry Night

Planets and constellations

**Rounds 2 and 3** will be multiple-choice questions. Students can buzz in at any time to answer the question.

**Point Values:** Correct answers 10 points. Incorrect answers -5 points

**Answering Questions:** If you buzz in before the question has been read completely, then you will answer the question on your own within 5 seconds.

If the moderator finishes reading the question, teammates can confer before one person buzzes in to answer the question.

**If an answer is Incorrect:** then the question can be answered by any of the other teams. The question remains in play until a team gives a correct answer. Each team may only try to answer the question once.

**Challenging the Moderator's decision:** A team can challenge an answer, but play will continue, and a judge will look up the answer while play continues.
